

# Eclipse Planning Worksheet: Cancer + Capricorn

The solar and lunar eclipse cycles provide us with great markers in life. We can create and pursue goals using the **eclipses as points** to check-off, help keep us on track. Using the **Capricorn/Cancer eclipses series**, plus the new and full moons in between, you can develop a rhythm with the universe to design the life you want. So have fun and don't forget to check [thewritingorbit.com](http://thewritingorbit.com) for more!
